"WHISKY MEDICINES."

THE VOICE, The Leading Temperance Paper, Sounds the Call to a New Crusade in the Following Article.

"ANOTHER HEAD ON THE HYDRA." "It is time attention was drawn to a form of alcoholic traffic that seems to have been overlooked by those engaged in the crusade against the rum power. If us is believed and taught, alcohol is if it is most to be dreaded when it finds its first entrance to the system in the pleasant sauces and dishes of the home, then the form of alcoholic traffic in question is doubly dangerous, for it comes in the guise of medicine and attacks a system prepared by weakness to easily sur-

render to the assault. In many PATENT MEDICINES which are largely consumed throughout the country, by all classes of people, there is a percentage of alcohol which puts them on a level with beer, rum and whisky as intoxicants. It is the small ness only of the dose prescribed which prevents a prompt recognition of the in-toxicating effects of these so-called medicines by those who use them.

"It is safe to affirm that they are MEDICINES IN NAME ONLY. Their chief value lies in their alcoholic effect as a stimulant. In fact, those who know, attribute the benefits ascribed to clinical reports of the test cases were sous not in the habit of drinking liquors, and the little dose taken three or four time a day is as stimulating to these people as his regular "finger" of "bit-
